Ender's Game – the future of wargaming?

Colin Marston, Matt Caffrey, Seb Bae,
Iain McNeil, David Banks, and Andrew Elliott

7 Sep: 1200-1315

Defence Academy of the United Kingdom

[dstl]

Speakers

1. Matthew Caffrey (Connections US, USAF) - ***The need for a revolution in wargaming, and how that revolution can be achieved***
2. Seb Bae (Georgetown University) - ***Approaching the wargaming event horizon***
3. Iain McNeil (Slitherine) - ***How wargames touch every part of defence***
4. David Banks (Kings College London) - ***What kind of wargaming revolution do we seek?***
5. Andrew EIliott (Fight Club) – ***Dispersed and Decentralised, the future of wargaming***

In the short term, what <u>one thing</u> would you do <u>now</u> in order to establish a brighter future for wargaming? (& why!)

Q&A panel at end of speaker session.
